FAQs About Junior High Policies

How am I contacted by HJ JHS? It is **extremely important** for parents and guardians to keep their child's information updated with the school. Please notify the school of a new phone number or address. It is imperative that the school be able to contact you in case of an emergency. Information about HJ JHS is available through many media forms including our website (HJISD.net), Facebook (HJ Junior High School), and Instagram (@hardin_jefferson_juniorhigh).

Sign up for important updates from Principal Sims.

6th Grade- Text the message @88hgg87 to the number 81010.

7th Grade- Text the message @2324hjj to the number 81010.

8th Grade- Text the message @2324hjjh to the number 81010.

What about my ex? In addition, it is extremely important that any custody agreements be up to date and on file with the school. The school will refer to the most current file on record in the student's folder.

Who can pick up my child? Students will only be allowed to be checked out by individuals indicated on the list for approved pick up. In addition, a valid photo ID must be presented when checking a student out of school. Please make sure that your pick up lists are updated if there are any changes.

May my child ride home with another student? Students may not ride a different bus other than their own. If a student is going home with another student, they must be picked up in the car rider line. If a change in transportation after school is required, notification must be provided to the school no later than **2:30pm**. (Ex: student is not riding the bus and will be a car rider)

What if my child lost an item? A lost and found collection box is located in the cafeteria. A student who loses an item should check the lost and found box. We will dispose of lost and found items at the end of each semester. The district is not responsible for any lost or stolen items.

What if my child wants to stay for the game? Students who stay after school must be under the direct supervision of a coach, sponsor, or teacher. Students may not stay after school to stay at the practice of a friend or sibling at any campus. In addition, students may **NOT** stay after school to wait for the start of a sporting event or other activity. Only students participating in the event, and under the supervision of the coach, may stay. All other students must ride the bus home or be picked up by a parent immediately after school. **Child care after school is the responsibility of the parent or guardian.**

Must my child ride the bus after an activity? If a student is not going to ride the bus home after a school sponsored activity, the parent must be present and sign the student out with the sponsor or coach. If a student is going to ride home with someone other than a parent or guardian, the parent or guardian must write a note notifying with whom the child will be released. This note must be approved and signed by the principal and given to the sponsor or coach **one day BEFORE** the event. However, coaches or sponsors have the right to require that participants also ride the bus home after a school sponsored activity. ALL students are **required** to ride the bus **to** all school sponsored events and activities.

School Dances- Only HJ Junior High School Students may attend the dances. School dress code is observed. In addition, any student in ISS may not attend the dance that evening.

May I bring food to my student? No outside food may be brought to an JHS student during school. If you are bringing food for a boys athletic event taking place after school, please deliver it to the locker rooms by the tennis courts.

May I change my child's schedule? Schedule changes are extremely difficult after the year begins. Changes will not be considered except in **extreme emergencies**. There will be no schedule changes after the first 5 days of the beginning of school and the beginning of the second semester. A written request for schedule changes must be submitted with a parent signature. Schedule changes out of Honors classes will only be considered at the end of the semester.

What if my child has a fever? If the child is sent to the nurse's office with a fever, the parent will be notified. A child with a fever less than 100.0 degrees will be returned to class unless the nurse determines the child needs to remain in the nurse's office for further examination. A fever greater than 100.0 degrees, the parent will be **required to pick up their child**. It is highly recommended that a child not return to school without being fever free for a minimum of 24 hours. We ask that you call the school before 10:00 a.m. when your child is absent from school. Please inform us of any illness your child may have so that we can keep current on what may be going around. You may call and leave a message on Mrs. Gate's voicemail. Her extension is 3106.

STUDENT ID'S- Students will receive their first ID free of charge. In the event they need a temporary, they are available from the front desk/stations at a cost of \$1.00. If a full replacement ID is warranted (ID, case, and lanyard) the replacement cost is \$5.00. Students must wear their ID around their neck at all times.

CELL PHONES- STUDENTS ARE NOT TO HAVE THEIR PERSONAL MOBILE PHONES VISIBLE. All mobile phones must remain turned off during the instructional day, unless they are being used for approved instructional purposes. If a student uses a telecommunications device without authorization during the school day, the device will be confiscated. The student may pick up the device from the principal's office for a fee of \$15. The district is not responsible for any damaged, lost, or stolen electronic device.

What is ASD? After School Detention (ASD) is held on Tuesday and Thursday from 3:35–4:35. It is the responsibility of the parent or guardian to provide transportation. Failure to attend ASD will result in additional consequences (including ISS) whether or not the student had transportation.

What is study hawk detention? Students may be assigned lunch detention as a consequence for misbehavior. Lunch detention will be offered Tuesday and Thursday during their lunch period. Students are not allowed to eat in the cafeteria, but will be placed in a classroom with supervision. Parents will not be called when students receive lunch detention unless their behavior does not improve.

What is Saturday School? Saturday School is a choice of discipline available to campus administrators. Students assigned to Saturday School are expected to be on campus and in the designated area by 9:00 a.m. Students will not be admitted late. Students assigned to Saturday School must wear their picture ID and be in dress code. Students are expected to work while in Saturday School. It ends at 12:00 p.m. Students failing to attend Saturday School will be placed in ISS the next week. Transportation will not be provided.

In School Suspension- After reviewing all evidence and information relevant to an incident, In School Suspension may be assigned as a disciplinary action. ISS students report to the middle school front office with appropriate supplies for the day as SOON AS THEY ARRIVE on campus. Students in ISS will be isolated from the rest of the student body and will not be able to participate or attend extracurricular activities while assigned to ISS. ISS is an alternative to at home suspension and an effort to keep students in school. Failure to obey the ISS rules may result in additional disciplinary action including out of school suspension.

TARDY POLICY– Students are allowed a full four minutes between classes. After four minutes a bell will sound alerting students they have one minute remaining to get to class on time.

- 1st Tardy – Warning
- 2nd Tardy – Warning
- 3rd Tardy – Afterschool Detention
- 4th Tardy – Afterschool Detention
- 5th Tardy – Saturday School
- 6th Tardy – Saturday School
- 7th+ Tardies – ISS for each one

MAKE-UP WORK– Students are expected to complete work missed during any absence from class, including extracurricular and co-curricular, and will receive the grades earned. A grace period equal to the number of days missed is allowed for make-up. Major assignments are due on the assigned date regardless of absences. The front office should be contacted at the beginning of the school day to obtain the student’s make-up assignments by the end of the next day.

It is the students’ responsibility to request work from the teacher and complete the work in the required time allotted. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment. In the event that a student has scheduled a make-up exam date and is absent on that day, the student should be prepared upon returning to the class to take the makeup exam.

GRADING GUIDELINES– Students grades will be determined as follows:
Minimum grades per quarter:

- | | |
|------------------------|------------------|
| 40% Daily Grades | 60% Major Grades |
| 14 Daily Grades | 4 Major Grades |
| <u>AP & PreAP:</u> | |
| 10 Daily Grades | 3 Major Grades |

Minimum Grade Policy– Students will be given the opportunity to make up failing test grades by replacing a minimum of 20% of test grades/20% daily grades, in each nine-week grading period. Failing scores are grades less than 70. Students will make up assignments according to teacher guidelines. Students will have, subject to teacher discretion, a minimum of one and a maximum of three weeks to replace failing test grades. Nine-week tests, benchmark exams, projects, and semester exams may not be replaced. Failing daily grades can be made up in ZAP, not exceeding the three week ZAP limit.

Grades for Late Assignments– No assignments, including work begun in class, homework and long term assignments will be accepted late except under extenuating circumstances determined by the teacher. Such circumstances must be rare, critical and not allow one student an unfair advantage over other students. Failure to complete and turn in assignments will result in a zero.

Documentation after an Absence– A parent must provide an explanation for any absence upon the student’s arrival or return to school. The student must submit a note signed by the parent. The campus may accept a phone call from a parent but reserves the right to require a written note. A note signed by the student will not be accepted. The campus will document in its attendance records whether the absence is excused or unexcused.

Doctor’s Note after an Absence for Illness– Within five days of returning to school, a student absent for more than three consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student’s extended absence from school. Otherwise, the absence may be considered unexcused and in violation of compulsory attendance laws. Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the absence to determine whether an absence will be excused or unexcused.

SCHOOL ATTENDANCE:

What you need to know

The latest you can check out your student to not be counted absent for 8th period is 2:55 p.m. Attendance at HJ Junior High is taken **every class period**. State law requires students must attend **every** class at least 90% of school days to receive course credit. Students reporting to the first period after 8:20 am will be counted absent for that class. (Multiple incidents could result in truancy) Checking students out early will result in the student being counted absent for every class missed.

When your child has a medical appointment, schedule it so your child can attend the majority amount of the school day. Students are marked medically excused if a doctor's note is provided. (this still counts against their attendance) All notes must be received within 3 days of the absence. (otherwise the absence will be unexcused) **Remind your child to turn the note into** Sharadan Wilson in the front office. You may also email the note to: shardanwilson@hjisd.net. When an unexcused absence for three or more days or parts of days within a four week period happens, we will send a notice to the student's parent, as required by law, to remind the parent that it is the parent's duty to monitor the student's attendance and to require the student to come to school. The notice will also inform the parent that the district will initiate truancy prevention measures.

If you receive a state truancy warning letter, call and discuss attendance concerns with Sharadan Wilson, attendance clerk. If a student continues to have poor attendance after the state truancy warning letter has been received, a complaint will be filed against the parent/guardian in Truancy Court. This can result in parenting classes and/or fines against the parent/guardian.
